Subject: Application for Summer Internship Opportunity

Dear Sir/Ma'am,
I hope this email finds you well.

My name is Debasmita Ghosh, and I am a first-year engineering undergraduate student. I have been following the recent work and developments of your organization, and it would be an honor to learn and work under your expert guidance.

I am particularly interested in internships that allow me to work on research, data analysis, or technical projects, as I am keen on building a strong foundation in my field and preparing for future academic and professional opportunities.

I would be grateful if you could consider my application for any available summer internship positions. I am happy to provide my resume and any additional information if required.

Thank you for your time and consideration. I look forward to your response.

Yours Sincerely,
Debasmita Ghosh
